**Hello friends!**

We finished our 2008 season with some fantastic Alberta hunts in October and November. In the archery season, weather was warm but Bucks were everywhere. The guys had lots of action, seeing and stalking some great Bucks. Both Dean Hamtree and Chase Simpson harvested very nice Mule Deer Bucks.

## Canmore Archery Bighorns

Another fantastic season with the archery Bighorn Hunts. With the help of a great crew and guides, straight shooters and lots of Rams, we harvested three super Bighorns. This Ram for Gary Martin finished his **Grand Slam**.

## Rifle Mule Deer Hunts

100% success again on our Alberta Mule Deer Hunts! Hunting in a wildlands park and some private land, we again found some monster timber Bucks.
